SOLICITATIONS FOR: **LAW ENFORCEMENT EQUIPMENT**

1.0 INTENT:

1.1 GENERAL INTENT

The Public Procurement Authority (PPA) serves as the “Lead Contracting Agency” for this solicitation on behalf of its members, and as authorized by the Public Procurement Authority Intergovernmental Agreement, which is an agreement for intergovernmental cooperation among select local Oregon governments and recognized under ORS Chapter 190. PPA, in association with National Purchasing Partners, LLC dba NPPGov (hereinafter referred to as “NPPGov”) on behalf of NPP’s government members (hereinafter referred to as “Participating Agencies”) across the nation, including members of

FireRescue GPO (FRGPO) and Public Safety GPO (PSGPO), Idaho and Oregon local government units (ATTACHMENT H), and WIPHE members (ATTACHMENT G), as well as government units in all other states, as authorized under the terms of the Intergovernmental Cooperative Purchasing Agreement executed by all Lead Contracting and Participating Agencies comprise a cooperative procurement group. This procurement group is soliciting proposals from qualified companies (hereinafter referred to as "Vendor") to enter into a Master Price Agreement for LAW ENFORCEMENT EQUIPMENT.

The intent of this Interstate Cooperative Procurement Solicitation (Solicitation) is to invite Proposers to submit a competitive pricing proposal offering LAW ENFORCEMENT EQUIPMENT to PPA, which will then be made available to NPPGov members locally and nationwide; to reduce expenses by eliminating multiple requests for proposals and multiple responses by Vendors; and to obtain discounted pricing through volume purchasing. Significant sales potential exists because the Master Price Agreement will be used nationwide without the need for Participating Agencies to duplicate the formal solicitation process and expend staff resources. Preferably, the successful Proposer will provide its entire catalog ("catalog discount") of products and/or services in order that NPPGov, FRGPO, and PSGPO members who wish to access the Master Price Agreement may order a broad range of goods and services as needed.

With the exception of successful local Proposer(s) capable of servicing PPA and NPPGov members within the state of Oregon, successful Proposer(s) should have a strong national presence for LAW ENFORCEMENT EQUIPMENT for use by government agencies nationwide.

This Solicitation meets Oregon public contracting requirements and may not be appropriate under or meet Participating Agencies' procurement laws. Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local and state solicitation requirements.

1.2 POTENTIAL MARKET

The Public Procurement Authority is publishing this RFP to create publicly awarded contracts for use by its members, which may also benefit the thousands of fellow members of NPPGov, FireRescue GPO and Public Safety GPO. These are nationwide programs representing member government agencies in all 50 states. We encourage proposer's response be a collaborative effort including manufacturer and distributor (when they are not the same company) to ensure nationwide contract utilization.

Proposer's response should also take into consideration the considerable market potential for this solicitation. Because the successful bid will be incorporated into a nationwide purchasing program including thousands of local government participants, the PPA believes that contracts created from this solicitation will provide vendors with a significant market advantage. Members of NPPGov, FireRescue GPO and Public Safety GPO and current vendors who participate in the program indicate the ability to shorten the sale cycle by eliminating the need to complete individual RFP processes is a significant advantage to participation.

The PPA believes that participation in the NPPGov purchasing program, benefits both its participating agencies and successful proposers. NPPGov engages with successful proposers who complete the Vendor Administration Agreement through a marketing and sales partnership. This partnership includes (but is not limited to) contract promotion to members, contract administration support to potential customers and live customer phone support.

1.3 REQUIREMENTS

Solicitation is subject to the Public Procurement Authority's General Conditions & Instructions to Proposer(s), if any, and the following requirements:

- 1.3.1 This RFP and resulting Master Price Agreement is anticipated for use by the Public Procurement Authority's government members as well as other NPPGov member government entities and eligible nonprofit entities across the nation. The Public Procurement Authority has entered into an Intergovernmental (interlocal) Cooperative Purchasing Agreement with other Participating Agencies for the purpose of obtaining Master Price Agreements with various vendors. Interlocal

purchasing agreements allow Participating Agencies to make purchases at the Public Procurement Authority's accepted proposal price, terms and conditions, provided that the Participating Agency has satisfied all of its local and state cooperative procurement requirements. By submitting a proposal, the Proposer(s) agrees to make the same proposal terms and price, exclusive of any possible rebates, incentives, freight and transportation fees, available to other Participating Agencies. The Public Procurement Authority and NPPGov will not incur any direct liability with respect to specifications, delivery, payment, or any other aspect of purchases by such Participating Agencies or nonprofit institutions. A true and correct copy of the Intergovernmental Cooperative Purchasing Agreement is attached hereto as "ATTACHMENT A".

The successful Proposer must work directly with the Participating Agencies concerning the placement of orders, disputes, invoicing and payment. The Public Procurement Authority and NPPGov shall not be held liable for any costs or damages incurred by or as a result of the actions of the Vendor or any Participating Agency. Successful Proposers must comply with the state and local laws, rules and regulations in each state and locality where the product or service is provided.

1.3.2 Each Participating Agency shall execute a Participating Agency Endorsement and Authorization included in the Intergovernmental Cooperative Purchasing Agreement. While the terms of the Master Price Agreement shall govern the general pricing terms, each Participating Agency may request modification of the Master Price Agreement in accordance with each Participating Agency's state and/or local purchasing laws, rules, regulations and procedures. Each Participating Agency may, at its discretion, and upon written agreement by the Participating Agency and Successful Proposer, request additional legal and procedural provisions not included herein that the successful Proposer must adhere to if it wishes to conduct business with said Participating Agency using the Master Price Agreement.

1.3.3 NPPGov, FireRescue GPO and Public Safety GPO provide vendor exposure and marketing support for the successful Proposer's products and services. Successful Proposers servicing the awarded contract to NPPGov members shall pay a Contract Administration Fee representing 1% percent of actual net sales under the Master Price Agreement as established in the NPPGov Vendor Administration Agreement (available upon request). A portion of the 1% fee is paid to the Western Fire Chiefs association pursuant to agreements with NPPGov, Fire Rescue GPO, and Public Safety GPO. Western Fire Chiefs Association also administers the solicitation and bidding processes for the PPA pursuant to a separate Administration Agreement at no cost to the PPA or its members.

1.4 MULTIPLE AWARDS

Multiple awards may be granted to meet the requirements of this Solicitation provided that such awards are differentiated by product make and model, service, and/or distribution regions and capabilities of the successful Proposers. Specifically, the Public Procurement Authority will award separate contracts to Proposers in order to cover all local and national geographical markets, electronic purchasing capabilities, and products and services identified in this Request for Proposal, as well as the diverse and large number of Participating Agencies. The award of multiple contracts is to be determined upon receipt and review of all proposals, and based upon the general criteria provided herein. The Public Procurement Authority may solicit proposals from local qualified companies with or without a national presence provided that the successful Proposer is able to provide the Public Procurement Authority with the products and services requested. Multiple awards will ensure fulfillment of current and future requirements of the diverse and large number of Participating Agencies. In the event a local Proposer with no national distribution capabilities best meets the proposal selection criteria, multiple local and nationwide responsive proposals may be awarded simultaneously in the best interests of local commerce, compliance with local laws, and the Participating Agencies nationwide.

Proposers shall be able to serve the needs of the NPPGov membership on a national basis. However, this requirement shall not exclude local Proposers without a national presence that are capable of meeting the requirements of the Public Procurement Authority within the state of Oregon.

1.5 CONTRACT USAGE

The actual utilization of any Master Price Agreement will be at the sole discretion of the Participating Agencies. It is the intent of this Request for Proposal and resulting Master Price Agreement that members of NPPGov, FireRescue GPO, and Public Safety GPO (Participating Agencies) may buy directly from Successful Proposers without the need for further solicitation. However, Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local and state solicitation requirements as well as the need of further notice prior to utilizing the Master Price Agreement

1.6 BACKGROUND OF NPPGov

NPPGov, owned by two healthcare organizations, provides group purchasing opportunities and purchasing administrative support for governmental entities and nonprofit institutions within its membership. NPPGov's membership includes participating public and nonprofit entities across North America.

1.7 EQUAL OPPORTUNITY

The Public Procurement Authority encourages Minority and Women-owned Small Business Proposers to submit proposals.

Competitive Solicitations are intended to meet the public contracting requirements of the Lead Contracting Agency and may not be appropriate under, or satisfy Participating Agencies' procurement laws. It is the responsibility of each party to ensure it has met all applicable solicitation and procurement requirements. Participating Agencies are urged to seek independent review by their legal counsel to ensure compliance with all local and state solicitation requirements.

ARTICLE 3: USE OF BID, PROPOSAL OR PRICE AGREEMENT

- a. A "procuring party" is defined as the Lead Contracting Agency or any Participating Agency that desires to purchase from the Master Price Agreements awarded by the Lead Contracting Agency.
- b. Each procuring party shall be solely responsible for their own purchase of goods and services under this Agreement. A non-procuring party shall not be liable in any fashion for any violation of law or contract by a procuring party, and the procuring party shall hold non-procuring parties and all unrelated procuring parties harmless from any liability that may arise from action or inaction of the procuring party.

- d. The exercise of any rights or remedies by the procuring party shall be the exclusive obligation of such procuring party.
- e. The cooperative use of bids, proposals or price agreements obtained by a party to this Agreement shall be in accordance with the terms and conditions of the bid, proposal or price agreement, except as modified where otherwise allowed or required by applicable law, and does not relieve the party of its other solicitation requirements under state law or local policies.

ARTICLE 4: PAYMENT OBLIGATIONS

The procuring party will make timely payments to Vendors for goods and services received in accordance with the terms and conditions of the procurement. Payment for goods and services, inspections and acceptance of goods and services ordered by the procuring party shall be the exclusive

obligation of such procuring party. Disputes between procuring party and Vendor shall be resolved in accordance with the law and venue rules of the state of the procuring party.

ARTICLE 5: COMMENCEMENT DATE

This Agreement shall take effect after execution of the “Lead Contracting Agency Endorsement and Authorization” or “Participating Agency Endorsement and Authorization,” as applicable.

ARTICLE 6: TERMINATION OF AGREEMENT

This Agreement shall remain in effect until terminated by a party giving 30 days written notice to “Lead Contracting Agency”

ARTICLE 7: ENTIRE AGREEMENT

This Agreement and any attachments, as provided herein, constitute the complete Agreement between the parties hereto, and supersede any and all oral and written agreements between the parties relating to matters herein.

ARTICLE 8: CHANGES AND AMENDMENTS

This Agreement may be amended only by a written amendment executed by all parties, except that any alterations, additions, or deletions of this Agreement which are required by changes in Federal and State law or regulations are automatically incorporated into this Agreement without written amendment hereto and shall become effective on the date designated by such law or regulation.

ARTICLE 9: SEVERABILITY

All parties agree that should any provision of this Agreement be determined to be invalid or unenforceable, such determination shall not affect any other term of this Agreement, which shall continue in full force and effect.

THIS INSTRUMENT HAS BEEN EXECUTED IN TWO OR MORE ORIGINALS BY EXECUTION AND ATTACHMENT OF “THE LEAD CONTRACTING AGENCY ENDORSEMENT AND AUTHORIZATION” OR “PARTICIPATING AGENCY ENDORSEMENT AND AUTHORIZATION,” AS APPLICABLE.
